

Genetics Society of Australasia 2007
54th Annual Conference, June 26th-29th
The University of Sydney, Australia
Comparative Genomics, June 26th-27th
www.gsa2007.angis.org.au
Email: gsa2007@angis.org.au

Plenary speakers

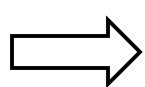

Richard Gibbs (Baylor College of Medicine)
Scott Edwards (Harvard University)
Dave Burt (Roslin Institute)
Win Hide (University of the Western Cape)
Paul Hebert (University of Guelph)
Stephan Beck (Sanger Institute)
Ruth Hall (University of Sydney)
Alan Cooper (University of Adelaide)
Richard Harvey (Victor Chang Institute)
John Mattick (University of Queensland)
Scott O'Neill (University of Queensland)
Barry Brook (Charles Darwin University)

Opening address by
Jim Peacock – The Chief Scientist

Symposia

Speciation and Phylogeography
Adaptation
Evolutionary Genetics
Phylogeny, Biodiversity &
Barcoding
Developmental Genetics
Epigenetics
Population Genetics
Pathogens, Parasites & Symbionts
Environmental Microbes
Plant Genetics
Functional Genomics
Bioinformatics
Ancient and Forensic DNA
RNAi and non-coding DNA
Conservation Genetics
Gene and QTL Mapping

Conference dinner at Australian Museum

*Abstract and Registration deadline:
April 5th 2007*

Convenor: Kathy Belov
Phone 02 9351 3454
kbelov@vetsci.usyd.edu.au

*Organizing committee: Sonia Cattley, Janine Deakin,
Mark Eldridge, Karen Firestone, Rebecca Johnson,
Nathan Lo, Chris Moran, Denis O'Meally, Alan Wilton*
